O.k. I will work on this today – for the time being how about we include you on the each Region's submission show you at least have some visibility.

I am thinking of a simplified summary of the tracking sheet that show's projections of when we expect stuff and if it is on time and on track it is green and if not it is red meaning check the remarks which will say why it is late?

Eric.. I'm guessing the first time you saw the r6 sample tracking sheet was when Janine sent

it 10minutes ago?

Subject: Call for Items for Weekly Geospatial Highlights

Please send any significant items you'd like included in this week's Geospatial Highlights by **noon on Thursday**.

Please copy [Paisly Di Bianca](#) on your email.

- Remember that this brief is a great highlight opportunity for Geo in the agency.
- [Prior highlights](#) are on the Geospatial SharePoint site.

Thanks!

-P.
